7. Description Of Incident

I, GER 1424, came with starboard and Denmark 3475 came with port. I yelled „starboard“ and „room“ but Denmark 3475 didn't seem like he cared . He didn't do anything to avoid the collision . Besides my last second trying of avoiding the collision, according to the rules, I couldn't avoid the collation, even tho I even changed my curse.

8. Damage Or Injury
