7. Description Of Incident

On the third upwind leg of the race (division 1), Dolce was approaching on port. We (Dominatrix) hailed "starboard!" At approximately 4 boat lengths, yet Dolce failed to respond or attempt to alter course to avoid a collision causing us (Dominatrix) to have to pull the helm down to avoid an extremely expensive collision. We missed Dolce by a couple of feet. At this point I (Richard) hailed protest to which Dolce's crew simply laughed and the boat continued on without attempting to exonerate themselves. Sea conditions were flat and visibility was good.
