FACTS FOUND

LAT 16 was sailing on starboard and COL 001 was sailing on port on a beat to windward on collision course

When the boards were 1m apart, they both luffed.

Contact occurred, COL 001 capsized and there was damage on the foil of LAT 16

LAT 16 continued and finished race 2 with turbulence on her foil.

CONCLUSIONS AND RULES THAT APPLY

COL 001 on port did not keep clear of LAT 16 on starboard breaking rules 10 and 14

It was not reasonably possible for LAT 16 to avoid the contact, therefore she did not break rule 14

The score of LAT 16 was made significantly worse in race 2 through no fault of her own by damage caused by the action of a board that was breaking a rule of part 2

DECISION

COL 001 is DSQ in race 2

LAT 16 is given redress in race 2 and will be scored points equal to the average of her scores in the other course races of the qualifying series rounded to the nearest tenth of a point (0.05 to be rounded upward). This shall not change the score of the other kiteboards.
