### Adjusted Performance Handicaps for Club and White Sail Classes for 11/01/2020

As permitted in SI 19.7

Boats in the Club and Open/Cruising Multihull classes will be allocated a handicap by the Race Committee based on the principals of the RYA National Handicap for Cruisers, which is a performance handicap scheme.

This handicap may be adjusted daily during the regatta.

Calculation and adjustment of handicaps for these classes is not grounds for redress or protest. [NP]
