7. Description Of Incident

While I was sailing starboard starting the race , UKR 8 suddenly crush in to me from the upwind, while I was falling, I was caught between her sail and her boom, we both fall in the water, I stuck underneath the sail and almost suffocated, I managed to get out her sail, in the mean time my equipment drifted away, it took me a lot time to sail again. My coach counted over a minute until I sailed again.
