I was starboard, the Chinese was winward, I was overlap since since few seconds. She Touch my kite many time even after yealing at her some times. She didn't do anything to avoid me or gave me any room to avoid contact and for me to sail my proper course. We tangle, i did everything I could to avoid contact but our kite touch and my bridle got stuck in the poulie and I end up swimming. I relaunch alone after 1 minute after the kite without any help. I said protest as soon a possible. I finish the race at last.
