7. Description Of Incident

I approached the windward mark on port layline and tacked under GRE on starboard layline. Approaching mark 1 I looked for mark 1a and did not see it. I rounded the mark 1 and looked again for mark 1a and did not see it again, so assumed it was not laid.

The conditions were steep chop and windy 15knots. I did see the mark 1a in the first race and it is very small and in the bugger conditions it is unobservable.

8. Damage Or Injury
