## 7. Description Of Incident

Race 3 I went immediately to the right side of the fleet and came first at topmark. 4th at the second and 4th at 3rd Mark. The 3 first guys started match racing and don't notices me. Ik profited max. Of this situation and finished far in front of the ma Alexandra on th fish boat notices him in the first half of the white fleet. It's a kind of magic that this could happen in my first race ever. But important to believe that this sport is really something for me. So please justice this in the only correct way.
