7. Description Of Incident

CAN 707 was called BFD in race 10. After closely reviewing footage from two coaches at the pin end, we disagree with the decision and we would like to listen to the recordings. We kindly ask to open a redress hearing where we could present our footage and listen to the recordings.

Yesterday, we finished racing very late, and we did not have access to a second recording, but after charging cameras and reviewing this morning, we strongly believe we were not over the line. The files are very large, and the form did not allow us to attach them. Please advise on how we can proceed.
