7. Description Of Incident

Firefly approaching the leeward mark (mark to be passed to port) was fetching the mark on starboard and sailing her proper coarse was crossed by Greg Reuter who had already rounded the mark. Greg was on port and was heading to mark 6 (committee altered coarse, moving the windward mark from 7 to 6 to address a wind shift). Altering this leg of the race required the fleet to cross boats fetching the leeward mark. Greg rounded in control and set a heading for the new mark. His heading placed his boat in the direct path of Firefly and on a crash coarse. Firefly altered coarse to avoid collision which was imminent.

8. Damage Or Injury

There was no contact, damage or injury.
