7. Description Of Incident

GER 799 was on Port Tack. I was bearing away and moved away from the boats on starboard tack. FRA 68 would have passed me but suddenly she was coming towards me on downwind because she was crashed by another boat. She didn't hold her course, I didn't have the chance to escape. I was screaming and tried to avoid the crash but i had no time and we crashed in each other. I had to give up the 3rd race and went back in the harbour.
