## 7. Description Of Incident

Just after the start, i was sailing on starboard. A board arrived in port and didn't respect my priority. I avoided the crash (by bearing away behind her). This board was spanish but i couldn't identify the sail number. A second after, GER 799 crashed on me. I couldn't do anything to avoid the contact. I fell into the water.

## 8. Damage Or Injury

My foil is broken and i can't sail with it anymore. My board has some marks from this contact.
