7. Description Of Incident

On the top reach between mark 1 and 2.

I was sailing on starboard leeward and overlapped on Pol126

Pol 126 came from windward in a deeper angle and crashed, falling right in front of me.

I just couldn't react and we crashed onto each other, fell in the water and broke my board and Pol126 mast.

I'm asking for redress.

8. Damage Or Injury

Mast foil cracked
Front part of my board cracked
