7. Description Of Incident

Before the second upwind, a change of course was signalled and did not set the change of course mark described in the SI's (the original mark). The correct mark was never placed.

8. Damage Or Injury

I was aiming for the yellow mark (the radial mark) which was in a mark boat. When it became clear that the fleet was just rounding the green mark instead, I ended up significantly overstood, causing me to lose multiple positions.
