7. Description Of Incident

I want to request redress because my score was made significantly worse due to a protest committee error.

When the jury penalized me on the water before finishing, I gybed past the finish line, luffed to close hauled back across the line, controlled the boat while keeping clear of other boats racing and tacked behind them to cross the line again.

My turn was consistent with the modification of rule P2.1 and 44.2 in the SI.
