7. Description Of Incident

The TC performed a pre-race safety equipment inspection of the boat in Molyvos on 20/8/2023 and found that the fire extinguishers had expired in 2003 and urged the skipper to present extinguishers with a valid expiration date. However, no extinguishers with a valid expiration date were presented in a subsequent inspection at Oinousses port on 25/8/2023, after the end of race #3.
