7. Description Of Incident

While approaching the leeward mark, Jaguar gained overlap inside Zig Zag prior to entering the zone. Once inside the zone I hailed for mark room. Zig Zag refused to give room and forced Jaguar into the mark to avoid a collision. Focus was close astern of Jaguar and in a good position to see the incident. After rounding the mark and prior to finishing, Jaguar conducted a penalty turn, Zig Zag crossed through the finish line without having conducted a penalty turn.

8. Damage Or Injury

No significant damage or injury on Jaguar
