## 7. Description Of Incident

The 1st start of race 2 was started under U flag. There was a general recall and second start was done under Black Flag. Aut093 was scored as UFD (which can only be related to the first start). Rule 30.3 says, if the race is restarted (as done by general recall) the disqualification is not valid and the race must be scored based on our finishing. We request redress for the scoring of race 2.

Unfortunately we noticed this mistake of scoring this evening as there was a similar situation today in race 5, U flag on first start with general recall, but no UFDs. Thank you, Aut093.
