7. Description Of Incident

He came from behind me in the middle of the downwind both of us over the port tack, once he came next to me with the nose of his boat and started to scream 'luff' and started steering until light contact. I called protest Ned 2671. Afterwards he started swearing at me about an earlier conversation at his coach boat. He said I shouldn't whine and feel intimidated by his coach.

8. Damage Or Injury

No damage.
