7. Description Of Incident

We are sailing on starboard. Calling the right of way to Crivizza sailing on port side. To avoid a collision we had to tack to port side.

Tuiga was coming on starboard side and we had to dive under her to avoid a second collision.

Our intention was to sail on the left side of the course to avoid coming into the strong currents going west.

The whole situation prevented us to sail our course and we lost position and time in voluntary tackling.

8. Damage Or Injury
