7. Description Of Incident

we were on starboard tack with the gennaker in the first downwind of the 1 race.

We saw Oman gybing(from starboard tack to port tack).

Before the gybe Oman sails was clear ahead and positioned to windward of us.

After they finished the gybe we were on a collision course with them so we asked for the right of way as a starboard boat.

We saw that Oman Sails continued on his course.

To avoid the collision we changed our course and luffed by passing astern of Oman Sails.

Just after the accident we hailed protest and shown the red flag.

Oman sails didn't do any penalty.
