7. Description Of Incident

When leaving the pontoon in a very strong tide we regrettable caused some damage to Rush. Despite attempts from crew to fend off we were told by the skipper of Rush to 'Fuck Off' we were not given the chance to apologise or offer to make good the damage. Following this, rush drove to us on the water and threateningly said he wanted to 'See me ashore'

8. Damage Or Injury

Small damage to Rush which we take full responsibility for.
