7. Description Of Incident

After few minutes of sailing I was over the Israeliian boat on starboard. For me it was clear that if he would tack it would not passe. He divided to tack and I started walling at him. I tried to not touch him but it was happening really fast and with the strong wind it was impossible to bear away. After the contact he made me capsized and I lost all my positions of a good start.

8. Damage Or Injury
