7. Description Of Incident

I was late to check-in due to help that I had to provide my colleague from ILCA 6 Alyazia Alhammadi who was stuck on the shallow water next to the beach. She is very young (13yo) and I couldn't leave her without help. By the time I help her and take her boat out it was too late to check-in in proper time. I would like to add that we weren't send back to shore after my last race and I'm wondering if the check-in time was from the last boat in the last race or from the moment that AP over A was displayed.
