7. Description Of Incident

wave: 25 cm

no current

wind: from 10 to 14 knots

I was going in upwind near the first mark. I was starboard. ITA 9232 was port. We were less than half boat length. She tack ahead my bow so I have to luff away to avoid the collision. Mattia said that she was avoiding touching the mark but I was already head to wind.

8. Damage Or Injury

There weren't damage or injury.
