7. Description Of Incident

I was on the starboard lay line with a boat below me. I saw the Italian boat coming on port and hailed starboard. It looked to me as if Italy was setting up for a tack as I was on the lay line. The Italian boat crossed the boat below me on port. At that point I tried to head up but was unable to avoid and we made hard contact. We both capsized on each other with my sail over the Italian boat and foils. We spent about 40-50 seconds capsized in which time a lot of boats passed. My boat had damage meaning that I had to retire from the next race. I would like to protest for redress and for insurance reasons so I can fix my boat

8. Damage Or Injury
