7. Description Of Incident

When I came back directly from water to check-in it was already too late and I was told that I will be disqualified. It wasn't much wind on the way back and I had big problem close to the beach when my boat was stuck on the shallow water. I'm sailing for the first time here in Singapore and I wasn't aware of that danger. I would like to ask not to disqualify me from the last race. I'm sorry to cause trouble.
