7. Description Of Incident

He was the boat ahead of me at the windward mark. I was a boat length behind and 2 meters to windward. He hit the mark and rubbed along the mark to get around it. I hailed protest immediately. No action was taken by him. I repeatedly hailed protest and tried to get his attention over the next 30 seconds but he did not take a penalty. When rounding the mark, he was above close hauled and clearly hit the mark to get around it. There was no contact between boats.

8. Damage Or Injury

None.
