7. Description Of Incident

10 second before starting signal irl bear away without space on my boat that was leeward . He touch my strongly with hai wing bar near to the neck . We were 10 meters leeward to the start line . Because of the contact my body was push inside the boat . I lost control of the boat that point up automatically. And because of this both boat cross the starting line before start signal.

8. Damage Or Injury

Neck , and back ,
