## 7. Description Of Incident

Isobel was approaching mark 4 on race 2. Isobel was overlapped with 2 2 tango for 5 minutes. We hailed 2 2 Tango to state we were overlapped but not yet in the zone, this continued until we reached the zone. Upon reaching the zone we hailed that we are now overlapped inside the zone and had rights and would need room. As we neared the mark Prestige was clear ahead inside the zone rounding. We hailed 2 2 Tango again that we needed room and to not come up. Prestige was rounding the mark tight and clean, we took their stern, as our bow sprit overlapped their stern 2 2 Tango came up to us and impacted our port side approximately 17 ft forward of our stern with her starboard bow.
