To whom it may concern,

Per RRS 87, the International J/70 Class Association grants the organizers of the 2023 J/70 Corinthian World Cup permission to modify the J/70 Class Rule C 1.1 (b) to read *RRS 42.3(c) is modified to read "When surfing (rapidly accelerating down the front of a wave) or planing is possible, **to initiate surfing or planing**, the main and jib may be pulled in only once for each wave or gust of wind, but the gennaker sheet may be played without restriction."*

This change to the CR will apply for this event only.

Sincerely,

*C. E Howell*
