Scoring Inquiry:

Samuel did finish the course. He rounded all the marks correctly and finished around the middle of the fleet. I believe that his position was in the mid 30s to mid 40s, similar to his other races. But it was hard to tell exactly as the silver and gold fleets were overlapping during the final portion of race 3. We appreciate your assistance to correct his score. Please advise if you might need any further information. With thanks and regards.
