**Scoring Inquiry:**

I want to re-lodge this scoring review. I do not agree with the previous scoring review. I was only a couple of boats behind NED 211161. She is scored 44th position. I was in the same small group of boats with her and finished on the right side of the gate (when looking upwind).

In NED 211161's scoring review (she was scored DNC at first), it can be read that she was 3 boats in front of me. Therefore, I should be scored 47, not 55.
