Scoring Inquiry:

CRO 57042 broke mast in 1. race today and they sailed other 2 races with sail number 5667.

We inform race committee but they put in results DNC.

Can you please fix it because it is important for us because this is our last qualification regatta for ISAF 2024.

So you just need put results from CRO 5677 2.and 3. race as CRO 57042.

Thanks
