Scoring Inquiry:

I have crossed the finished line. But the jury flag me for a penalty. I completed a 1 turn penalty because it was very congested at the finish line and there was not room to complete the penalty. Even though I have crossed the finished line. I believe I was scored a DSQ because of this. Pls review my score.

Coach Xiaodong,

Response Title:

Unfortunately your scoring review is denied. As penalty in rule P2.1 to make 2 round turns.
