**Course:** Windward to Finish

**Race No:** R5 Tuesday 21st May

**Posted Score:** DNF

**Protest Party:** Puppeteer - 50 - Odyssey - Philip Byrne

**Scoring Inquiry:**

I was finishing with a group of Puppeteers namely Weyhay, Honey Badger, Intersceptre and Mojo.

As I was just coming to the finishing line, i was hailed by the crash boat who while lifting the finishing mark was told that the time limit had expired, and the race was over !

However I see all the other boats got a finish although we were all finishing at the same time !

**Witnesses:**

Ian Dixon Puppeteer Weyhey sail number 22

**Response Title:**

Corrected Score: 11 on scratch

RO has confirmed that Odyssey did finish, but unfortunately his time was not recorded in the flurry of boats finishing. Following discussions an agreed finishing time will be allocated. - ( KB 2025 05 22 20.40).
