Scoring Inquiry:

Hi Guys, I am sure you are busy, but I noticed that Scandal is one of several boats listed under IRC results for Class 3, even though we are not entered for the 3 days and we dont have an IRC cert. Excess numbers will affect results for others like the boats with dsq or ocs after their name.

Response Title:

Thankyou - I have removed you now from the 3 day event listing - will rescore and republish now too
