**Scoring Inquiry:**

Hi,

I have just noticed that the all my scores in Series 1, namely S1R2, S1R4, S1R5 are using my Spinnaker handicap, 1.145, however I am racing this series White Sail. Hence the handicap should be 1.117. Can you please correct. Note: I don't think it will make a significant difference in standings, but the result is not correct. (I believe Laurent will have noticed that I raced all these events in White Sail, if you need other reference, please advise).

Jim
