Scoring Inquiry:

we are contesting the results given by the committee because when we passed the leeward gate, which happens to be the finish of leg 15 after the reduction of the course, we passed it 2nd and not 5th.

ahead of us was boat 117539 without spinnaker

and behind us boat 117677 without spinnaker

we have as witness the boat 117987 which affirms that we are indeed 2nd and not him and a video to back it up

Witnesses:

117782 - 117987 - 117677

Response:

Corrected Score: 5
