#### Scoring Inquiry:

When we were rounding the final gate marks to the finish line, Koh Yi Nian and Caio Sullivan rounded mark 3s, while I rounded mark 3p. In the Sailing Instructions for Course O2, it states that boat must round 3p before going to the finish line. It was very clear that one mark was on the left facing downwind. Immediately, I rounded that mark thinking it was 3p. This situation was similar to Race 1 where the setup of the marks was quite confusing because one was much farther down than the other. I think it would be a good idea to do what was done in Race 1, where the final positions are based off of the positions before the gate rounding towards the finish. In that case, Koh Yi Nian should be in first, I should be in second, and Caio Sullivan should be in third.
