Course: all

Race No: series 2 race 1

Posted Score:

Protest Party: Ben Waring

Scoring Inquiry:

The race results notice says that many boats did not see the shortened course flag. Should the results not show them as being disqualified rather than just not listed at all e.g. Wanderlust sail #5, whitesail div5? Chris asked me yesterday why he was not scored. I helped him fill an inquiry.

Response Title:

Wanderlust was not scored because he did not register, he has now done so and his results have been posted.

RC scores the boats regardless of how many laps they do, extra laps does not mean they are DSQ, they are scored as they finish. Should RC consider a boat has not sailed their proper course breaking rule 28 they must protest them under Rule 60.2
