Scoring Inquiry:

I completed this race.

I was in position 2 when my way was cut by a catamaran on the course . After the catamaran exited the course I was confused and made the mistake of gybing around the yellow buoy closer to the start line. But i quickly realised my mistake and gybed back on course and completed the course correctly. Doing so i overtook many wingers before the finish line but did not record who was behind of in front of me....
