Scoring Inquiry:

We had passed the leeward mark on the second lap but then we were told to go for the third lap so we went back (checking to retreat the same way we came and tracing the track back) and made sure to round the leeward (mark to port) again before heading up and continuing onto the third lap.

We were supposed to be 2nd, finished behind boat 3184 and before boat 2179.

Witnesses:

Aevyn Jackson 2179 Mehtas 3184
