**Competitor: Adv C - Silver Fleet - SGP 3168 - SGP3168 - Soh Christopher Soh**

**Scoring Inquiry:**

Kindly check Christopher's rank (currently 21st). His nett score tie to sailor in currently 20th place but his last race rank is lower and his total score is also lower than the sailor in 20th place. Christopher should be ranked ahead of the sailor with same nett score. Thank you.
