Scoring Inquiry:

U 7. Zadnjem plovu zapisan mi je ufd na startu. Smatram bi mi se trebao bodovati ulazak u cilj a ne diskvalifikacija jer kontra starter nika bio pravilno postavljen, nije bio usidren niti fiksiran vec se kretao na motor i tako nariusio moj start i ostetio me za diskvalifikaciju

Response:

RC checked the papers and in the last minute you were identified in the triangle formed by the ends of the line and the first mark.
