### Scoring Inquiry:

Hello, a lot of sailors are marked at 162 points and DNC, including myself. I finished every race with several people behind me, so why am I and so many others marked as DNC? I am sure that I was at both races today.

### Witnesses:

The results are on the website, and many people saw me on the water. Im sure you can ask anyone from Stavanger and they will tell you I was there.

---

### Response:

The RC stated that you dind't finish the race course.
