Course: D

Race No.: 1

Posted Score: 35

Competitor: Cadet - Main - 10055 - Vortex - Daniel Ringland

Scoring Inquiry:

Yesterday, Daniel's score for race 1 was correctly shown as 6. Today, it has been changed to NSC. Daniel did sail the correct course.

Response:

Due to a correction to the provisional results on Saturday evening, a further audit of the race sheets was conducted, which highlighted no record of sail number 10055 passing through the gate on the upwind leg of the first sausage to our attention. We were advised to rescore the race.
