## Scoring Inquiry

**Inquiry On:** 2021-06-09

**Received At:** 2021-06-09 17:16 CEST

---

**Inquiry No:** 03

**Course:** White

**Race No:** R3

**Posted Score:** DNF

**Protest Party:** Optimist - White - 6129 - NA - William Webster

**Scoring Inquiry:**

William crossed the finish line at the pin end and thinks his sail was covered by CRO 1286.

He believes he was in the middle 40s. So this would match CRO 1286 result of 42.

He should be scored 43th.

Thank you!

**Witnesses:**

All sailors had left the sailing club, therefore we could not find CRO 1286 to ask to be a witness.

---

**Response Title:**

Corrected Score: 43th

He should be scored in 43th.
