Scoring Inquiry:

At the start of race 3, I felt as though I was behind the line, or if I was over, that the boats below me were also over, and I was wondering if I could review video of the start. Thank you!

Response:

Race committee is reviewing video. The video will be available for you to review in the morning at 9am.

Having reviewed the video, confirmed you were not OCS. Boat will be scored in its finishing position.
