**Request No.:** 01

**Course:** One Design

**Race No.:** 1

**Posted Score:** DNC

**Competitor:** Martin 242 - 8 - Picante - Matthew Sullivan

### Scoring Inquiry:

One design race committee started one race in a Northly breeze. The race was started in 2-5 knots of wind. After the first boat rounded the second course mark, the wind died to 0- 2 knots from variable directions. The race committee attempted to shorten the course at the windward mark, its unclear if some boats finished within the time limit. There were large changes in boat positions wind died completely before the time limit and made multiple 180 degree shifts. After some time of no wind, the race committee flew the abandonment flag and made noise signals. The race is counted and most boats are scored DNC. If the RC intended to abandon the race, the scores should be omitted from the final series. If the abandonment is invalid since a boat finished within the time limit, other boats should be scored TLE.

### Witnesses:

Peter Grimm, Paul Martin (Race Commitee)

---

### Response:

Corrected Score: TLE

Participants in Race 1 that did not finish in the post first boat time limit have been awarded TLE.

Race started at 18:27 and the first finisher finishes at 19:11 - for a 44 minute time.
